## Chauffeurs' Fall Liveries of Distinction

**S**AKS & Company feature at all times the largest and most complete assortments of Chauffeurs' Apparel and Liveries to be seen in New York. We were the first to specialize in apparel for the man-at-the-wheel and *to-day, as always*, do the largest business of this character in America.

The best cars to be seen along the avenues are driven by Saks'-uniformed men, for as surely as owners take pride in the class and character of their car, so do they show a fine appreciation for chauffeurs' apparel rich in its simple refinement.

**T**HE serviceability of Saks'-Tailored Suits and Overcoats for chauffeurs is worthy of special note. No apparel for the man-at-the-wheel could be better made. Our tailors know just where a chauffeur's suit or top coat is likely to *give* first. At these points Saks' needlework makes its indelible impression. It defies hard wear and *holds* against the most severe service.

Those seeking the utmost in a suit or overcoat for the chauffeur, a fur lined ulster or an accessory of the moment, will find the Saks' selections the most complete in New York.
